Dave -

I have received the request for reclamation bond release for the Small Mine permit for the Blind Stream 5-11 Honeycomb Project by Shamrock Mining Associates LLC. in Duchesne County.

The reclamation surety held by OGM is **\$7,300 (plus interest)** in cash and an additional **\$18,000** in the form of a CD.. The site has been transferred and is now bonded for **\$31,600**. It is my recommendation to release all monies in the name of Shamrock Mining Associates LLC. and to **hold \$31,600** with the new Operator.

Please send your concurrence via email. If you have any questions please feel free to call. thx-lah
